The owners, The Procter & Gamble Company and Arch Chemicals, Inc., of 100 percent interest in the instant application hereby disclaim, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term of any patent granted on commonly-owned pending reference Application Number 11/602,770 filed on November 21, 2006, as such term is defined in 35 U.S.C. 154 to 156 and 173, and as the term of any patent granted on said reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application.
